Re: GPT Developer

Dear Mr. Brian:

I am writing to express my interest in the GPT Developer position at Patchell Brook Equity Analytics inc company. Currently pursuing a 3<sup>rd</sup> year Software Engineering degree, I am confident in my ability to contribute to the development of your generative AI product for investing strategies.

The comprehensive job description outlined for this internship aligns perfectly with my academic background and hands-on experience. Throughout my coursework, I have gained proficiency in languages such as Java, JavaScript, Python, Html, CSS, as well as databases like SQL and working with Git. My dynamic programming skills, coupled with well communication and problem-solving skills make me well-equipped to tackle the challenges involved in both the front-end and back-end aspects of this role.

Thank you for your consideration. I look forward to discussing my qualifications with you during an interview.

Yours truly,

Saran Chotsuwan
